PRESS RELEASE – 5/4/2020

RE: The Telethon 2020 & COVID-19

Dear LIGA friend and supporter,

Due to the endurance of the pandemic medical crisis and concern for the safety of our Community, Liga Contra el Cancer decided to postpone the non-profit's annual (fundraiser) Telethon to Saturday, November 14th, 2020, at the Miami-Dade County Fair, Miami, Florida.

While it was a difficult decision to make, considering that funds are vital and needed now to continue our mission in helping those with cancer who have limited financial resources and no medical insurance, but the overall safety and wellbeing of our community takes a priority.

As many of you may know, the Liga Contra el Cancer has been partially open during this medical crisis. The non-profit continues to provide lifesaving chemotherapy at our medical clinic, evaluate new patients and our volunteer oncologists continue to examine patients in person and virtually on a weekly basis.

Henceforth, while we won't be gathering in person at the Telethon in June, we thank you in advance for continuing to support the Liga Contra el Cancer's on-going mission during these challenging times for our organization and community! BE SAFE AND BE WELL!

God Bless you!

Administration,

Adriana Cora
